

Exploring with my Senses

On _____ (day of the week), I was visiting _____ (place) and decided to go exploring! The problem was I did not know how to start exploring. Just then, I remembered my five senses! I could use my senses to _____ (verb) around me! First, I used my _____ (body part) to see the _____ (silly word) right next to me. Then, I used my _____ (body part) to smell some delicious _____ (food) nearby. I asked to eat it and it tasted _____ (taste). I said “thank you” and kept on _____ (verb-ing). All of a sudden I heard a loud _____ (sound)! Then I felt _____ (type of weather) on my _____ (body part). I had so much fun exploring and cannot wait to use my _____ (number) senses again!
