Open Positions at Get Your Play On(line)

Get Your Play On(line) is looking for some volunteers to join our management team! We are a play-based platform that provides activities for kids online where all activities are created by child life students.

We are looking for Certified Child Life Specialists to fill the following roles:

Content Manager- Manage and support our volunteers through the content creation process. Our main forms of content include Facebook lives and blog posts. The Content Manager will ensure that all aspects of each activity submission fit within the vision of our platform, as well as provide feedback after each step of the approval process.

We are open to having multiple people fill this role.

Volunteer Coordinator- Implement recruitment initiatives including student outreach and screen prospective volunteers to determine their fit within the platform. The Volunteer Coordinator will also oversee the mentor program and track monthly volunteer involvement to ensure that volunteers are adhering to established volunteer guidelines. Ultimately, the Volunteer Coordinator will manage volunteer relationships including engagement, support, and retention.

CCLS Mentors: Provide support for child life students as they learn to create activities on our platform. The goal of the mentor program is to foster growth within our volunteers as many of them are at the beginning stage of their child life journey. One of the main takeaways of our platform is the ability to create and implement an activity for kids of any age. As a mentor, you will assist our students in the process of creating developmentally appropriate activities on our platform.

We are looking for multiple applicants to fill this role.

We are seeking a child life student to fill the following role:

Administrative Intern: The Administrative Intern will provide assistance where needed for the management team and for the platform. We are looking for someone who is willing to take initiative, works well independently, and is willing to learn. You must be familiar with Google Drive, including Google Sheets and Google Docs. Knowledge of uploading content to YouTube and Wix website building experience is preferred. This role involves a commitment of one semester and cannot be used to fulfill the ACLP clinical internship requirement.

To apply, please send a resume and cover letter to our email getyourplayonline@gmail.com and we look forward to getting to know you through the application process!
