

Transportation MadLib

Transportation is a _____ **(adjective)** that we use everyday. Transportation can come in different shapes, sizes, and even different speeds! We can use different forms of transportation to get to different places around the world.

Let's use a _____ **(form of transportation)** to travel to _____ **(place)**! We will want to make sure we have our tickets and our maps! Grab _____ **(your favorite book)**, _____ **(favorite pajamas)**, and _____ **(favorite stuffed animal)**. We will need _____ **(name)** to transport us to where we are going. Getting to our destination will take _____ **(number)** minutes and during the journey we will play _____ **(game)**! While we are traveling we might see a _____ **(bird)** _____ **(verb)** across the sky. While transporting we will stop and get _____ **(favorite snack)** and _____ **(favorite drink)**!

Once we reach our destination we will want to unpack and get settled in. While there we will use _____ **(different form of transportation)** to get from place to place. On vacation there will be the best _____ **(favorite food)**. While there we will _____ **(favorite activity)** and _____ **(another favorite activity)**. My _____ **(name)** will take pictures and we can keep them in a photo album.

When we are ready to go home we will use _____ **(form of transportation)** and arrive _____ **(number)** minutes later. Our vacation was so much fun and I cannot wait to go on another one. Using transportation to get from place to place makes it easier to travel and do fun things!
